En esta unidad los estudiantes aprenderán vocabulario relacionado con alimentos y comida saludable (healthy food), además, se familiarizarán con estructuras gramaticales y patrones de preguntas y respuestas básicas. Así, el vocabulario y las estructuras nuevas les permitirán comunicarse adecuadamente al combinarlas con conocimientos que reciclan del año anterior. Las expresiones de uso común son presentadas en contextos y se espera que las identifiquen y las incorporen en sus diálogos. Será motivador para ellos aprender expresiones de uso diario relacionadas con la comida y los hábitos saludables.

En esta guía los/las estudiantes desarrollarán la comprensión lectora a través de la lectura de 4 textos breves relacionados con comidas diarias y alimentos (vocabulario visto en guías anteriores para facilitar la comprensión de estos). Además, deberán desarrollar actividades que fortalecen la expresión escrita completando un breve párrafo sobre ellos.

-  Recuerda escribir con letra clara para poder corregir y retroalimentar.
-  Desarrollar guía en cuaderno. No necesita imprimir.
