MY TOWN

My name is Albert. I live in a town in England. It isn't very big but there is everything we need. I live near a supermarket. At the right side is the bakery and at the left is the butcher so my house is between the bakery and the butcher. Next to the butcher is a grocery store. At the end of the street is a clothes shop, a bookstore, where I buy my comics. There is a pet shop too. My sister always go there with the dog.

On Saturday there is an open market on the main street. Mum, my sister and I go there to buy fruits and vegetables. After that we go to the fish shop to buy fish and seafood. In front of the fish store is my favorite store. The sport store where I can find the t-shirt of my soccer team. If mum needs some pills, we go to the pharmacy. It is behind the sport store.

In the afternoon we go to the shopping mall. Mum and my sister love to look at the shoes through the windows. After that we have some juice or an ice cream before to come back home.

Describing A Town

My town is very big and exiting. It has many fun things to do. There is a games arcade, two parks, a theater, a swimming pool. There is also a sport center and a library. The library has fun activities like doing crafts or science experiments on the weekends.

There is also an internet café, It is next to the theater and there is a coffe shop across from the park.

I usually go with my friends to the coffe shop to talk but I never go to the internet café because I have internet at home.

In town, there are three restaurants, a Chinese restaurant, an Italian restaurant and an Indian restaurant. My favorite one is the Indian restaurant because I like hot and spicy food.
