*New album: New York 2019 BEST HOLIDAYS EVER!! – 200 PHOTOS*

*We flew for 12 hours! It was my longest trip on a plane. We ate delicious food and saw 4 films!*

*We stayed in one of the most popular hotels, the beds were more comfortable than my bed at home!*

*On Friday we took a ferry boat to go to the Statue of Liberty. The ticket was cheaper than the ticket to go to the theatre!*

*This is the One World Trade Center building, the tallest one in New York!*

*We also rode our bikes in Central Park, the biggest and most beautiful park in NY! In the middle of the park there was a deep lake and there were lots of ducks swimming in it! But there weren't any dogs, they usually go to special parks only for dogs.*

Last Monday we visited the Natural History Museum. It is very famous because they filmed the American movie "Night in the Museum" there. We saw lots of dinosaur skeletons and asteroids but we didn't take any pictures because we didn't have our cameras. We bought some souvenirs and badges. It was really interesting!
